Description: Kadlec Sparkle and Shine Pageant is an event for special needs children and adults ages 5 through 21. The pageant is different from typical pageants; as it is not intended to designate a winner or winners, but instead, to highlight every participant’s unique abilities, celebrate his/her beauty and recognizes whatever makes them ‘sparkle and shine’. There will be an event panel of special guests who will view the participant and their pre-taped interview on pageant day.

Every contestant will leave with an amazing experience including a sash, certificate, professional photograph, goodie bag and an opportunity to meet local pageant royalty.

Participants are encouraged to dress their best for their interview and on event day. Opportunity for hair styling and make up will be provided on event day by volunteers if the participant chooses.

Who: Male and female contestants, ages 5 through 21 – not divided into age categories – max 15 participants

Pre-Taped Interview:

In lieu of performing a live “talent” on event day, we will film an interview with the participant and a support person(s) performing their talent. The interview will then be edited into a short format video (1-2 minutes) highlighting the participant’s talent or what makes him/her sparkle or shine which will be played on event day. After you submit your application, you will be contacted with the interview/filming date and time.

- The participant will participate in the pre-taped interview. Please contact us with the interview day/time.
- The participant will NOT participate in the pre-taped interview and will appear on stage on event day with only their name announced. (The participant may wave and/or smile if capable.)
- As an alternative, for those participants that do not want to be filmed, parents will participate in the pre-taped interview talking about their child and what makes him/her sparkle and shine.
